DANCING IN DECEMBER

Dancing on Thursday, Dec. 3, will take place in the East Room at the 519 on the Ground Floor due to week-long renovations to the Auditorium. Squares will be a little tight in this confined space, but that's good practice for everyone as there's always a tendency to spread the squares out.

Monday, Dec. 14 will be the last night this year for Advanced dancing.

Wednesday two-stepping at Church St. will take place on Dec. 2 and 9 ONLY. The school has revoked our permit for Dec. 16 in order to hold their own Christmas Party.

Joe is unable to be with us on Dec. 10 so Don St. Jean and Chris will be calling for the Basic and Plus classes on that night, probably with some help from others. The evening will consist of review material only.

UPCOMING MOVES

For Basic and Plus, Dec 3 will be the only teaching evening this month. Please read up on the following moves:

BASIC - Sweep 1/4 More, and the Circulate Family;

PLUS - Crossfire, Follow Your Neighbour, Anything & Spread, Anything & Roll.

A1 - Quarter In, Cross Over Circulate, Horseshoe Turn, Step & Slide, Transfer The Column.

POTLUCK PARTY

On Thursday, Dec. 17 there will be a Potluck Supper before the dancing begins, starting at 6:30 p.m. Don't worry if you're not a great cook. Stephen Holmes has a long list of other volunteer necessities, including crackers and cheese, disposable plates, cutlery and napkins. So providing some of these items can be your contribution. From those who DO cook, a small easily eaten item (we do not have any microwave available!), entree, salad or dessert, will be greatly welcome. Small quantities, please, as we usually have lots left over which tends to get wasted if it's not taken home. Please confer with Stephen to avoid duplication.

DANCING IN JANUARY

Continuation of the teaching schedule for BASIC and MAINSTREAM moves as well as the PLUS class, will start again on Thursday, Jan. 7. A1/A2 will begin again on Monday, Jan. 4.

PAYMENT for dancing from January to March inclusive will be appreciated on the first night of the new classes. For all classes this will be \$48.00 (forty-eight dollars).

BY-LAWS COMMITTEE

For a long period, there has been discussion about the

necessity of having formal by-laws governing the business of Triangle Squares. When we had a lawyer on the Steering Committee this discussion was intensified and by-laws from other gay square-dance clubs within the I.A.G.S.D.C. were gathered.

Alan Dearnley, our Secretary, is now heading up a continuation of this discussion and would like volunteers to come forward to assist on a By-Laws Committee in the preparation of a presentation to the Steering Committee on this subject. Whether or not you have any previous experience in the business affairs of a volunteer organization, feel free to speak to Alan about this.

ELECTIONS AND A.G.M.

This seems an appropriate place to mention that the term of the officers in Triangle Squares, President, Secretary, Treasurer, Events Coordinator, I.A.G.S.D.C. Representative, runs usually from March to February. (The Class Representative is appointed from about October to September.) If you would like to serve on the Steering Committee in any of these capacities, please speak to Chris, Alan or any of the Committee members.

We plan to have a very short Annual General Meeting on one of the Thursdays in March.

FRATERNITY

Fraternity is a social organization for gay men and women that runs an eclectic list of get-togethers from film nights to ballroom dances in the Royal York at which "black tie" is optional. On Friday, Jan. 15, Fraternity is hosting a Square Dance for which Don

St. Jean is the caller. Usually at these events, there is a special rate for non-members to attend. So watch for further details. Your help as an "Angel" would be welcome.

UPCOMING FLYINS

Jan 15-17, 1993:
January Jubilee, Plus thru C3A, Philadelphia, PA.

Jan 15 - 17
Fly-In, Desert Valley Squares, Phoenix, AZ.
