SQUARE DANCE ETTIQUETTE TIP # 3

Start out Fresh and scent free! Shower, use deodorant, and brush your teeth.

Please refrain from using perfume or cologne for the sake

of those with scent sensitivities. Avoid eating strong smelling foods like garlic right before dancing. This may sound corny, but it can make a big difference to your fellow dancers.

SQUARE DANCE ETTIQUETTE TIP #4

 **Do not pass by other forming squares.** In most clubs, for each new tip, dancers form new sets by squaring up randomly. It is considered unfriendly and discourteous to pass by a forming square to look for another. In addition, **avoid passing through the middle of a square**; please go around it.
